# PILGRIMAGE TO MALAWI

[www.warmheartinternational.org](http://www.warmheartinternational.org)

**W**arm Heart International is sponsoring our third Pilgrimage offerings to Malawi, Africa for up to fourteen delegates at the invitation of Bishop James Tengatenga of the Diocese of Southern Malawi. Please give prayerful consideration to join

the growing number of youth, laity and clergy who have traveled to Southern Malawi in 2005 and 2007 to see and experience what God is doing in and through His people in a land far away.

The Pilgrimage experience will change your understanding of the world, yourself, your community and God.

—BISHOP TENGATENGA—

Bishop Tengatenga earned his M.Div. at the Episcopal Seminary of the Southwest in 1985. He has been a lecturer at Zomba Theological College and at the University of Malawi. James is a former member of St. David's (Austin), where he and his wife

Josie were married.

In May of 2009 the Anglican Consultative Council announced that the Rt Revd James Tengatenga was elected as the new chair of the Anglican Consultative Council. He is one of our own growing the Church abroad, and now he is inviting us to come and see the goodness of the Lord.

AN INVITATION  
BY THE REV. DAVID BOYD

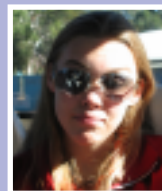

I invite you to join us in this exciting experience of pilgrimage – traveling with an open mind to see what God would reveal to you among our faithful brothers and sisters in Malawi: 'The Warm Heart of Africa'.

— PAST PILGRIM REFLECTIONS —

Africa is a place of magic. After meeting all the amazing people, doing all these amazing things, and seeing all this beauty I am driven to do anything I can to show everyone all the worthwhile things in life.

**Lara Case, 2005 Pilgrim**

There's something that hugs your mind and heart about Africa. It's one of those places that's enough without any words; it's a place to just be and experience.

**Christina Mitchell, 2005 Pilgrim**

Our experience in Malawi taught us of the immense joy that can be found among a love-giving community. As the Bishop declared, "You have not seen God until you see God in the face of others."

**Catie Hungerford, 2005 Pilgrim**

A seed was planted in me (in Malawi): some people experience pain and they let it harden them. Others experience pain, and with God's help, their pain breeds compassion, and that compassion leads them to help others who are suffering.

**Lee Livingston, 2005 Pilgrim**

Before I left for Malawi, I told people I thought it would be a "life-changing" trip. I had no idea. Now I know a few of us CAN change lives. You can be one too. May God take your hearts and set them on fire.

**Vance Tilton, 2005 Pilgrim**
